A PERSONAL MESSAGE: My trading picked up a bit this month. I actually dubbed 3 reels in a week. I still am looking for SUSPENSE, ESCAPE, GUNSMOKE, JACK BENNY, and some others. Have a happy St. Patrick's Day.

DEATHS: Harold J. True, Feb 15, age 81. Mr. True was a onetime announcer on the LONE RANGER SHOW...WALLY COX, Feb 15, 48. Mr. Cox was best known for his role as MR. PEEPERS, on television from 1952-1955...Haddox Paul Myers, Jan 29, 76. Mr. Myers was founder of HAVEN OF REST, a religious program that began in 1934 and is still heard over 165 radio stations in the US and Canada.

PUBLICATIONS: Often the Nostalgia Book Club offers supplemental "Town Meeting of Members" only to members who buy the selection of that month. At the suggestion of Don Koehnemann, with which I agree, all members should be able to receive it. If you don't buy a book at least you could send a self-addressed envelope. Write the club expressing your views. Don sent a SBAE and did receive the 3rd and 4th edition of the special edition...Pete Huckel tells us that the latest issue of "Stereo Review" (March) had a good article on tape recorders. ...The Feb. issue of TV and Radio Mirror and the April issue of Movie Mirror has a nice story on collector Jack Thompson of Kinston, Ontario. ...A new, concise newsletter on Nostalgia is "Nostalgia Newsletter". It keeps you informed of publications, collectors, conventions, revivals, "Whatever became of...", etc., PLUS reminiscing. Cost is \$6.00 a year, printed every 2 months. Write Jerry Russell, Nostalgia Newsletter, Box 7201, Little Rock, Ark 72207...Steve Lewis tells us that the Winter 1972 issue of Views & Reviews has a lead article of Mae West's adventures on radio, particularly on the Chase and Sanborn Hour. ..

ORGANIZATIONS: The Carlton E. Morse Foundation, Radio Programs for the Blind, is a non-profit tax exempt organization formed to provide programs from the golden age of radio to the blind. We are sending out tapes to 18 state libraries for the blind and to blind readers who have tape duplicating equipment all over the country. But we need help. We need contributors to send reels (left track only). The most we could ask of any one contributor is 6-12 hours a month. All tapes will be returned. If you are interested in helping out please contact Bernard Feltelberg, 23 Winthrop Rd, Hingham, Ma 02043...More news about the North American Radio Archives (NARA). The brochure should be ready by the 2nd week of April, a post office box will be ready this month, letterhead stationery should be ready by the 2nd week of April. The first annual NARA tribute dinner is now postponed to June 2nd. Guest will be Carlton E Morse. Reservations will be \$15 each or \$25 a couple. Dinner will be at the Cathay House in Chinatown, San Fran. Reservations will close after 150 people. Write Roger Hill, 1231 Grove #11, San Fran, Cal 94117...

QUIZ: Only 2 answers in for the Feb. quiz. Keep them coming. The March quiz was sent in by Ed Corcoran and is really for the science fiction (X-1) buff. You are to figure out what DIMENSION X or X-1 program the following short quotations are from: 1. It's like sleep 2. What is it Tween 3. Now I know what she meant by the random factor 4. I was institutionalized 5. Young Collier has come down with a particularly bad case of it 6. He is not dead; only temporarily paralyzed 7. Why must we always lose the best men. 8. There's nothing out there 9. Where have you been. I've been waiting for you for 20 years 10. These voice print locks never work 11. He lost my whole months liquor ration 12. For all I know you guys are a bunch of traitors,

TAPE DECK: Carol Witte, 194 Wyndcliff Rd, Scarsdale, N^y 10583 has returned from her trip and is ready to resume selling Capitol tape at very reasonable prices...Fred Dickey mentions that it may be a good idea to replace the idler on your machine every year, especially on the SONY. It tends to lose its liveliness and slows up the machine... Tom Carpenter reminds us about DAK tape which you can buy very inexpensively. Write DAK, Box 69920, West Hollywood, Cal 90069 for a price list...

TAPE TIP3: Each month I am going to pass on information that has been in previous newsletters, especially to help new collectors: 1. It is recommended that you rewind your tape every 6 months if it hasn't been used 2. Try to indicate specific problems for each program instead of just saying good, fair, excellent, etc. 3. Don't list any show unless you have listened to enough of it to evaluate it.

LET THE BUYER BEWARE: Tom Cole, Nostalgia of Miami, Fla; Jim Harmon (very slow); Richard Cascabello; Wil Dufour; Dwight Lindley (erratic); Owens Pomeroy; Cam Denoncour.

Has anyone traded with Ron Staley, a blind trader in California. His collection is building up quite rapidly and he is getting many new shows which can't be readily circulated yet. I have received a couple of letters from collectors who have tried to complete a trade with Ron. Please let me know. Ron has called me a couple of times (apparently he has called a lot of traders. I'd hate to have his phone bill). He seems very nice and extremely interested in obtaining new shows.
